1. School profile statement

Pakenham Secondary College is a Year 7-12 College located within the Cardinia Shire on Melbourne’s South East fringe. Its history as the main State Secondary School servicing a rural area has been overshadowed by the expansion of the city boundaries and the College now serves a much larger and more diverse community within a designated urban growth corridor.

The College is committed to providing all students with learning opportunities designed to develop socially responsible citizens and build pathways to their futures.

The school community has become increasingly diverse with students from a variety of ethnic and racial backgrounds joining the historically white anglo saxon school population. Related to this demographic change has been an increase in the SFO to a relatively high 0.60. This has posed increasing challenges around curriculum delivery and is compounded by the large number of students entering the college with achievement levels significantly below the expected level.

The curriculum across Years 7 to 9 is based around a core plus elective model with students in Year 10 having the opportunity to access a VET or VCE subject. Senior students are able to access VCAL, a variety of VET courses, School Based Apprenticeships along with a traditional VCE. The school is committed to supporting students in achieving at least one qualification upon the completion of their secondary education.

Pakenham Secondary College is committed to providing students with learning opportunities designed to develop socially responsible citizens and build pathways to their futures. A values statement has been developed through extensive consultation with all sectors of the school community and is referred to by the acronym “SOAR”. “SOAR” is widely publicised and used as the foundation for policies and procedures. In developing this statement it has been accepted that student wellbeing is the responsibility of all members of the school community and that social and emotional wellbeing is the basis of effective student learning and positive behaviour.

**SOAR**

_S_ocial and personal responsibility

_This means everyone is accountable for their own actions and share responsibility for the development of a positive learning environment._

_O_pportunities for all_

_This means that all members of the school community are provided with a variety of learning opportunities to further develop themselves and participate in the decision making process of the school._

_A_chieving personal best_

_This means there is an expectation that all members of the school community commit to a culture of excellence._

_R espect and relationships_

_This means that the school recognises the importance of productive relationships, with all members of the school community showing respect for themselves, others and the environment._
2. Rights and responsibilities

Guiding principles

At Pakenham Secondary College every member of the school community has a right to fully participate in an educational environment that is safe, supportive and inclusive. Everyone deserves to be treated with respect and dignity. All policies and procedures are developed within the guidelines of the following government policies.

- The Equal Opportunity Act 2010 (Vic) which prohibits discrimination on the basis of protected attributes (characteristics) including race, religion, disability, sex, age, gender identity and sexual orientation.
- The Sex Discrimination Act 1984 (Commonwealth). Affirms that every individual is equal before and under the law, and has the right to the equal protection and equal benefit of the law, without discrimination on the ground of sex, sexual orientation, gender identity, intersex status, marital or relationship status, pregnancy or potential pregnancy, breastfeeding or family responsibilities:
- The Charter of Human Rights and Responsibilities Act 2006 (Vic), which requires public authorities, including government schools and their employees, to act compatibly with human rights and to consider human rights when making decisions and delivering services. Charter decisions in schools include decisions around enrolment, attendance, responding to behaviour concerns (including preventing the escalation of behaviours), the making of adjustments for students with disabilities, preventing and responding to bullying, use of restrictive practices including restraint, and decisions to suspend or expel a student. Rights protected by the Charter include the protection of families and children (including promoting the best interests of the child), the right to equality, and cultural and religious rights.
- The Disability Standards for Education 2005, which clarify and make more explicit the obligations on schools and the rights of students under the Disability Discrimination Act 1992 (Cth). The standards cover enrolment, participation, curriculum development, student support services, and harassment and victimisation.
- The Education and Training Reform Act 2006 (Vic), which states that all Victorians, irrespective of the education and training institution they attend, where they live or their social or economic status, should have access to a high quality education that—
  (i) realises their learning potential and maximises their education and training achievement;
  (ii) promotes enthusiasm for lifelong learning;
  (iii) allows parents to take an active part in their child's education and training.

Bullying and Harassment.

Pakenham Secondary College does not tolerate any form of bullying or harassment and has developed specific policies and practices to combat this behaviour.

For the purpose of these policies and practices the following definitions have been adopted. It is recognised that any of these behaviours can be expressed in explicit or more subtle forms that are described in the College Code of Conduct policy.

Harassment is any verbal, physical or sexual conduct (including gestures) which is uninvited, unwelcome or offensive to a person.

Bullying is repeated oppression, physical or psychological, of a less powerful person by a more powerful person or group.

Cyber bullying is a form of bullying which is carried out through an internet service such as email, chat rooms, online discussion groups, social media or networking, instant messaging or web pages. Cyber bullying can also include bullying through mobile phone technologies such as SMS and may involve text or images.

Examples of cyber bullying behaviour are: teasing or being made fun of; spreading rumours online; sending unwanted messages; defamation. Cyber bullying can be anonymous and people can be bullied online by groups of people and extend to members of an online community such as Facebook.

It is important the school provides a safe and respectful environment for all students and staff and encourage care, courtesy and respect for others. All persons have a legal right to protection from harassment under the Commonwealth Sex Discrimination Act and the Victorian Equal Opportunity Act.

3 School actions and consequences

Student engagement, regular attendance and positive behaviours will be supported through relationship based whole-school and classroom practices, including:

- establishing predictable, fair and democratic classrooms and school environments
- ensuring student participation in the development of classroom and whole school expectations
- providing personalised learning programs where appropriate for individual students
- providing physical environments conducive to positive behaviours and effective engagement in learning

Inappropriate behaviours, including irregular attendance, will be responded to through a staged response, including:

- understanding the student’s background and needs
- ensuring a clear understanding of expectations by both students and teachers
- providing consistent school and classroom environments
- Scaffolding the student’s learning program.

Broader support strategies will include:

- involving and supporting the parents/carers,
- involving the student wellbeing coordinator or pathways team.
- tutoring/peer tutoring
- mentoring and/or counselling
- convening student support group meetings – the student support group is seen as an important component of the staged response for students facing difficulty with engagement, attendance or behaviour
- developing individualised flexible learning, behaviour or attendance plans
- Involving community support agencies.

Discipline procedures – suspension and expulsion

When considering suspension or expulsion, Pakenham Secondary College will follow the procedures listed in the DEECD guidelines including the flowcharts and pro formas for suspension and expulsion procedures in line with Ministerial Order 625.

A student will only be excluded from school in situations where all other measures have been implemented without success or where an immediate suspension is the only appropriate course of action in response to the student’s behaviour.

Consequences which may be used prior to suspension include:

**Behaviour Management Plan.**

Students may be monitored by their team leader in a specific class or throughout the week.

**After Class Detention**

The student will remain after class to discuss expected classroom behaviours for learning with the classroom teacher.

**After School Detentions.**

The student will complete classwork in a supervised setting – up to 45 minutes and parents notified at least 24 hours prior to the detention.

**Internal Suspensions**

The student will be removed from afternoon classes and attend a supervised private study session until 4.15pm.
The following guidelines are used as a reference for all members of the school community in relation to specific matters:
