

Visitors Policy

PURPOSE

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Pakenham Secondary College.

SCOPE

This policy outlines our school's arrangements for visitors who attend school grounds when the school is open for instruction between the hours of 8am to 4.30pm and when the office is staffed to monitor/receive visitors at reception, including parents, contractors and presenters. Outside of these times, our front office is not staffed and this policy does not apply.

DEFINITIONS

Child-related work: As defined by the *Working with Children Act 2005* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

POLICY

Pakenham Secondary College strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

Pakenham Secondary College is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's, *Statement of Values, Child Safe Policy, Statement of Commitment to Child Safety, Child Safe Code of Conduct*.

COVID-19 Vaccination information

Under the directions issued by the Victorian Chief Health Officer, visitors attending school to work are required to be vaccinated or provide evidence that they are medically excepted. Our school is required to collect, record and hold vaccination information from relevant visitors to ensure they meet these requirements.

Department policy also requires us to ensure parents and carers are vaccinated or medically excepted before entering school buildings.

For further information on this process, refer to COVID-19 Mandatory Vaccination – information Collection and Recording Procedures.

For Department policy on COVID-19 mandatory vaccination for visitors, including advice on the type of information that schools are required to collect, record and hold, refer to:

- [COVID-19 Vaccinations – Visitors and Volunteers on School Sites](#)

Working with Children Clearance

For Working with Children (WWC) Check and other suitability check requirements relating to parents/carers and other volunteers working with students please see our Volunteers Policy.

All visitors who engage in **child-related work** (see definition above) must have a valid WWC Clearance.

In some circumstances, visitors to Pakenham Secondary College, who are **not** engaged in child-related work will also be required to produce a WWC Clearance depending on the particular circumstances of their visit. Pakenham Secondary College will require a valid WWC Clearance for:

- Visitors who will be working regularly with children during the time they are visiting, even though direct contact with children is not a central part of their normal duties.

Visitors (e.g. contractors), who will regularly be performing unsupervised work at the school during school hours or any other time where children are present. Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g. visiting auditor who will be located in the front office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g. Member of Parliament, a journalist, a prospective parent on a school tour) will not be required to have a WWC Clearance.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check, but may be asked to verify that they are sworn officers by providing proof of identification.

Invited speakers and presenters

On occasion, Pakenham Secondary College may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, the College will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
 - elected government
 - the rule of law
 - equal rights for all before the law
 - freedom of religion, speech and association
 - the values of openness and tolerance
 - respect the range of views held by students and their families

Parent visitors

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours. If there is a particular pressing or unavoidable issue

that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick-ups and drop offs or for specific school events (parent teacher interviews, concerts, assemblies), are required to sign in as a visitor at the school office.

Parents or carers who are prohibited from entering the school under a court order or direction of the Principal are not permitted to visit the school. Our school will, via Victoria Police, serve Trespass orders to members of the community, including parents/carers who are not welcome on the school grounds. Court orders are entered onto Cases21/Compass as they are provided to the College. Office Staff will check the system prior to providing information to parents/carers so ensure the safety of students.

OTHER VISITORS

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure outlined above.

Communication

This policy will be communicated to our school community in the following way:

- available publicly on our school's website
- included in induction processes for relevant staff
- made available in hard copy from school administration upon request
