

## Pakenham Secondary College Community Update

Dear Students, Parents and Carers,

We have almost arrived at the end of Term Two – where has all the time gone! Please be reminded that Semester One Reports, 2024, will be made available to families via Compass, Friday 28 June.

Friday 28 June is our last day of Term Two, and we will be having an Early Dismissal of 2.30pm on the day.

Please read through the following points:

**NAPLAN 2024** – recent communications from the Victorian Curriculum and Assessment Authority (or VCAA) reveal that NAPLAN 2024 results will be distributed to families of Year 7 and 9 students early next term.

**Year 7 Camp Monday 17 to Wednesday 19 June (inclusive), 2024** – students in attendance had a wonderful time! The recent photos on our Social Media platforms demonstrate all the fun our Year 7 students had whilst on Camp. We thank Susan Banfield (Leading Teacher, Yawa Year 7 to 9 Sub School Leader) and her team of staff for all their hard work – without their commitment and attendance, the Year 7 Camp would not have been possible.

**Year 10 Work Experience Program, Monday 24 to Friday 28 June (inclusive), 2024** – many of our Year 10 students will embark on Work Experience next week. This is an invaluable program teaching our students many employability skills – we wish our Year 10 students all the best next week.

**Visual Arts and Technology Exhibition, Tuesday 25 June, 2024 (3:30pm)** – our end of Semester One Visual Arts and Technology Exhibition will be held next week, Tuesday 25 June, 3:30pm (in Room B12A), and students and families are invited to come along view what will be another high quality Exhibition. This is an outstanding event allowing our talented students to showcase their excellent Visual Arts and Technology work. We thank Emily Schinzig (Visual Arts and Technology Key Learning Area Leader) and her team of staff for working so well with students to best exhibit student work as part of this exciting event – well done to all involved!

**Year 12 Formal, Friday 28 June, 5.30 to 10.30pm** – what a great way to help mark the end of Semester One with our Year 12 Formal, Friday 28 June, at the Cardinia Club in Pakenham. We thank Brad Matthews (Year 12 Team Leader) and his team for organising what will be another example of a high quality for our students.

We Grow Through Connection

Our final Newsletter will be distributed Friday 28 June, and I would continue to encourage families to check us out on Social Media Platforms, together with checking in on our Website and Compass Platform on a regular basis to learn more about what is happening at our great school.

As a College Community, we continue to value a strong sense of team work amongst students, families and staff to strive towards further improving student outcomes. As a College Community, we continue to student learning growth – it is the outstanding connection we have between students, families and staff that helps support improvement; as per our College Motto, We Grow Through Connection.

Please contact our General Office on pH - 5945 1433 if you have any queries

Regards

Aaron
