Cyber Safety Project: Parent Hub

- The Cyber Safety Project is a proactive education program helping young people build skills and knowledge to thrive online.
 - The **Cyber Safety Project Families Hub** is a learning platform providing parents and their children with training to manage digital devices, personal security, safe digital interactions, screen time and to create family protocols for digital use in the home.
-
- **Includes:**
 - Families Workshops (for Parents & Kids)
 - Parent Webinars (for Parents only)

Plan Ahead - Communication

Checklist

- School Website
- Newsletter Article
- Compass Announcements/Social Media
- Parent Information Sessions
- BYOD Information Sessions

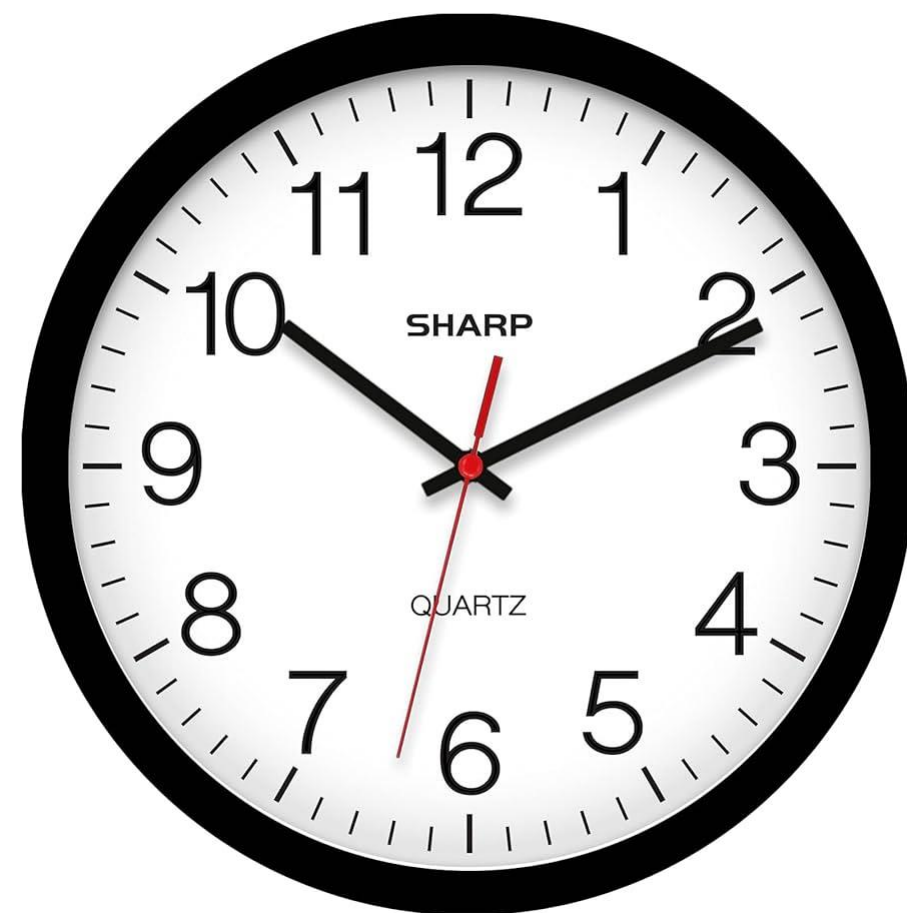

November is a critical month. We recommend weekly notifications to support end-of-year readiness.

An announcement scheduled for early January is also important for last minute orders

We're available to support your school community

Plan Ahead - Ordering

- Order Early to Avoid Delays
 - Edunet supplies education devices at discount prices
 - Place your order as early as possible to secure a device while in stock
- Out of Stock Devices
 - Refer to the ETA stated on the portal
 - ETA's are estimated and subject to change due to manufacturing delays
- Order Cut Off Dates
 - Pre Christmas VIC & SA: Thursday 28th of November 2024
 - Pre Christmas NT: Friday 22nd November 2024
 - Day 1, Term 1: Sunday 5th of January 2025
